1. Service delivered via the Optus 3G/HSDPA GSM network, subject to network availability. Customers can expect broadband speeds between 512 kbps and 1.5 Mbps in 3G areas, peaking at 3.6 Mbps, and non broadband speeds in GSM only coverage areas. Actual speeds will vary in different network coverage areas. 2. Excess usage beyond your included value will be charged at 10c per Mb. Both upload and download data is counted towards the total monthly usage. Maximum excess usage is charged up to \$99.00, then the service will temporarily suspended until the next billing cycle commences. For a part month (i.e. first month), the included usage will be prorated. 3. Bundle discount monthly access fee applies only if bundled with an M2 Fixed Line and / or Mobile service on the same account. Minimum total cost on a 24 month agreement on a non-bundle Mobile Broadband Plan is \$718.80 (on 1GB \$29.95 plan), \$958.80 (on a 2GB \$39.95 plan) and \$1,318.80 (on a 6GB \$54.95 plan). 4. USB Modem supports Windows 2000, Windows XP (32 bit only) and Windows Vista (32 bit only) and MAC 10.3.5 or higher. 5. Early Termination Fee (ETF) applies. This is calculated at 50% of the monthly access fee, multiplied by the number of months remaining. Downgrade of plan fee applies. Calculated at 50% of the difference between the plans, multiplied by the number of month remaining on the agreement term.
