Important Information

1. An Early Termination Fee (ETF) of \$99 is charged to recover the setup cost if the contract is terminated within the 24 month term.
2. If you downgrade your broadband plan, a \$40 administration fee applies.
3. Speeds are theoretical network maximum speeds. About 70% of customers on the 8Mbps/384k plan can access speeds around 6Mbps or more. About 50% of customers on the 20Mbps/1Mbps plan can access speeds around 10Mbps or more. Your actual speeds may vary due to a number of factors including your distance from the exchange, line quality, cabling, network configuration, network congestion and your hardware or software. Plans not available in all areas.
4. Your broadband connection will be slowed to 64/64kbps once you reach your monthly download allowance.
5. A \$10 monthly discount applies if you have a fixed-line service with M2 Telecom.
6. A \$99 set-up fee applies to a 24 month contract.
